Fruit Enzyme Exfoliating Mask

SKIN DIAGNOSIS

Normal | Dry | Mature Skin Types

This treatment is infused with a blend of fruit enzymes that have exfoliating properties to remove dead and damaged skin. Colloidal Oatmeal helps to soothe and calm the skin making this an ideal gentle treatment that can even be used on the most sensitive skins. Known for its antiseptic properties Lavender Essential Oil will also help with the relief of itchy skin.

DIRECTIONS FOR USE

It comes in powder form, simply add a small amount of water to create a creamy paste, gently rub into the skin for 1-2 minutes, and leave on the skin for 5-10 minutes before removing with cotton pads or heated towel. For best results make this mask up just prior to use, as the water activates the fruit enzymes which are at their most potent directly after water is applied.
